Guided Notes—Could a volcano pop up where you live?

The Question: *Take a moment to think about our mystery question and write down your response.*

Could a volcano pop up where you live? _____

Vocabulary: *Fill in the blanks with the missing colored word.*

1. **Volcano:** a _____ with a _____ in the top or side that sometimes sends out rocks, ash, _____, etc., in a sudden explosion (called an _____)
2. **Lava:** _____ from a volcano

Video: *During the video, take notes of key points. When asked to discuss, write out your answer first before we discuss. Unless called upon or asked to discuss with a partner/group, you are to remain silent.*

Exploration 1: Notes- _____

Exploration 2: Discuss- Do you think its possible for a volcano to pop up where you live? Why or why not?

Exploration 3: Notes- _____

Activity: See attachment for activity

Scholars, see activity attachment.

Scholars, today we will be making a volcano.

Scholars, refer to the PowerPoint.
