the magic pouch

there was a little girl who lived near a tall mountain. the mountain was so tall that the top was always in the clouds. the girl wanted to go to the top of the mountain, but her mother told her, "no." she said, "that mountain is steep. you would find it very hard to get to the top."

but one day the little girl was sitting and looking at the mountain. she said to herself, "I would like to see what is in those clouds at the top of the mountain. I think I will go up and see."

so the girl took her pet hound and started up the tall mountain. they went up and up. the side of

the mountain was very stēēp. up  
they went. the girl said to her  
hound, "do not fall. it is very far  
down to the ground."

soon the little girl and her
