Do you ever feel you are too young

Jonas Corona believes everyone can make a difference. It does not matter how old you are. It does not matter where you live. You just need a heart that is willing to serve. When Jonas was just four years old. he helped homeless people. He served
them once a month with his mother
and aunt. He stirred punch. He served
hot chocolate. One time he saw children with the

for them. He wanted to help.
